Q3 2026 Budget Summary

Overview

Total operating costs in Q3 were 4.2 million EUR, 3 percent below plan. Fuel costs rose by 11 percent, offset by lower warehouse rent after the Lviv lease renegotiation.

Headcount

The company employed 312 people at the end of Q3. Eight positions in dispatch remain open. Salary costs are within plan.

Outlook

Q4 forecast assumes stable fuel prices. A 250 thousand EUR reserve is kept for the new Warsaw hub. These figures are confidential and shared with the finance team only.
